## THE INFLUENCER'S CHAT AT GOA

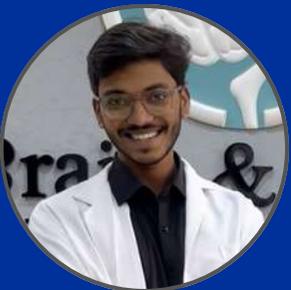

### Dr Jagjit Singh

Goa conference dates are out 🔥 are we in ?

### Dr Vipul

Yes! IIPC Goa looks solid this year 🙌

### Dr Vandit

Same here. Big crowd expected, especially students.

### Dr Surbhii

Should we do a small influencer chat session there?

### Dr Vriddhi

That would be great—open discussion, casual format.

### Dr Shruti

Agreed. Short, interactive, real experiences only.

### Dr. Imnuman

Goa + physio talk = perfect combo 😊

### Dr. Devansh

Done then. Let's plan a short chat session at Goa 🌴🗺️ where is Vipul ?

## *Scientific Presentation,*

The Programme Committee of the Indian International Physiotherapy Congress (IIPC) invites Qualified Physiotherapists to submit Scientific Abstracts for presentation at the IIPC One-Day International Congress, to be held on 29th March in Goa.

### Category:

- Abstract For UG
- Abstract For PG
- Abstract For Professional

### Presentation Formats:

- Platform Presentations:
  - 10-minute oral presentation followed by 3-minute discussion, moderated by a chair.
- Poster Presentations:
  - Visual presentation of research using concise text, graphs, charts, and images.
- Physiotherapy-Related Innovations:
  - Innovative ideas, technologies, or solutions related to physiotherapy. Preference will be given to concepts at prototype or implementation stage.

### Evaluation:

Platform, Poster, and Innovation presentations hold equal academic value and will be peer-reviewed using the same scientific criteria. A greater number of poster presentations may be accommodated.

Detailed guidelines and submission dates will be announced soon.  
Decisions of the Scientific Committee of IIPC will be final.

All abstracts must be prepared strictly according to guidelines. Incomplete or Incorrect submissions will not be reviewed. We encourage early submission to ensure prompt confirmation and processing

- The abstract must be written in ENGLISH.
- Each submission must be made electronically through a specified URL ONLY.
- The submitting author must be the presenting author, as correspondence will be with the presenting author, although presenting author does not have to be the first named author listed on the abstract.
- Each prospective presenter may submit and present a maximum of two abstracts. They may be named on other abstracts as a coauthor but only as presenting author on two.
- Only one presenting author per paper is permitted. Only an author may present the abstract, if no author is available the abstract will be withdrawn.
- The body of the abstract is limited to 300 words (excluding the title and information on authors) and shall be under following headings.

ABSTRACT	
HEADING	DESCRIPTION
Title	Title of the Abstract
Author (s)	Name with affiliation
Purpose	What was the major reason for doing the study? Any secondary objectives!
Relevance	How does this study relate to the physiotherapy practice/management/education/policy and the evidence base!
Participants	Describe the number and relevant characteristics of the participants and how they were selected.
Methods	What methodological approach was used for the study and the methods used for data collection?
Analysis	Describe the type of qualitative/quantitative data analysis used to assist you in interpreting your data.
Results	Briefly summarize the main findings derived from your analysis.
Conclusion	What can be concluded from the analysis of your data?What are the suggestions for future work?
Implications	For physiotherapy practice/management/education/policy.
Keywords	Use up to 3 words to describe your work which are supplementary to the topic.

- All presentations must describe original work to which all the authors listed have made a significant contribution. Any reference to personal experience should be clearly labeled as such
- It is the responsibility of the author to submit an accurate abstract. Abstracts will be published as submitted without editing.
- Abstracts whose authors do not register with full payment before the last date (i.e. March 15th, 2026) will be withdrawn.
- Presenting authors only will receive a certificate of presentation.
- All decisions of the Programme Committee are final.
