# ABOUT THE EVENT

The Indian International Physiotherapy Congress (IIPC) stands as a landmark academic and professional gathering, uniting leaders, clinicians, academicians, researchers, entrepreneurs, students, and innovators from across the physiotherapy and rehabilitation ecosystem. It reflects the collective vision of advancing the profession through shared knowledge, collaboration, and excellence.

Hosted in the vibrant state of Goa, the congress offers an exceptional platform for knowledge exchange, scientific advancement, clinical skill-building, and global networking. It brings together diverse perspectives, enabling participants to explore emerging trends, evidence-based practices, and future-ready approaches that are shaping the profession worldwide.

Through an integrated blend of international workshops, scientific presentations, exhibitions, interactive sessions, student activities, and recognition ceremonies, IIPC delivers a comprehensive learning and professional development experience. Every component is thoughtfully designed to elevate academic exposure, strengthen clinical reasoning, and encourage innovation.

By merging global expertise, national leadership, and emerging talent under one prestigious framework, IIPC offers a unique balance of academics, skill enhancement, innovation, professional growth, and celebration. It serves as a catalyst for progress—empowering delegates to learn, collaborate, evolve, and contribute to the future of physiotherapy in India and beyond.

# MESSAGE FROM THE PRESIDENT – IIPC

Dear Delegates and Esteemed Guests,

It is my privilege to welcome you to the Indian International Physiotherapy Congress. IIPC represents our collective commitment to advancing physiotherapy through scientific exchange, clinical excellence, and professional unity.

This congress brings together clinicians, academicians, researchers, students, and industry leaders—creating a powerful environment for learning, collaboration, and growth. With international workshops, scientific presentations, exhibitions, student activities, and distinguished recognitions, IIPC offers a comprehensive platform that reflects the evolving landscape of our profession.

We are honoured to host this edition in Goa, a destination that inspires energy, creativity, and connection. I am confident that each participant will find valuable insights, meaningful interactions, and renewed motivation to strengthen their professional journey.

I express my sincere appreciation to the organising committee, faculty, partners, and volunteers for their dedication, and I thank all delegates for being part of this event. Your presence reinforces the mission and vision of IIPC.

Together, let us continue shaping the future of physiotherapy with excellence and innovation.

Warm regards,

**Dr Mahesh Chakor**

**President, Indian International Physiotherapy Congress**

# THE COMMITTEE

# MESSAGE FROM THE ORGANISING COMMITTEE

Dear Delegates,

On behalf of the Organising Committee, it is our privilege to welcome you to the Indian International Physiotherapy Congress (IIPC). This congress represents our collective vision to create a platform that empowers physiotherapists at every stage of their professional journey—bringing together global knowledge, clinical skill, innovation, and leadership.

Our mission is to curate an event that inspires learning, encourages collaboration, promotes research, and strengthens the identity of physiotherapy as a vital pillar within healthcare. Each segment of the congress has been thoughtfully designed to offer value—be it through scientific presentations, hands-on workshops, professional networking, academic discussions, or the recognition of excellence.

We are honoured by the participation of international faculty, distinguished speakers, academic leaders, organizations, and enthusiastic students who contribute to the success of this congress. Your presence enriches the scientific dialogue and strengthens the collective progress of our profession.

We thank you for being a part of this journey, and we look forward to an engaging and memorable experience with you in Goa.

Warm regards,  
Organising Committee  
Indian International Physiotherapy Congress (IIPC)

# SCIENTIFIC ABSTRACT PRESENTATION

## **ABOUT THE PROGRAMME:**

The Indian International Physiotherapy Congress (IIPC) invites Physiotherapy Interns, UG & PG Students, and Qualified Physiotherapists to submit Scientific Abstracts for presentation at the IIPC International Congress. These presentations aim to highlight innovative research, clinical practices, and evidence-based findings contributing to advancement in physiotherapy.

## **CATEGORIES OF SUBMISSION:**

- Undergraduate Abstracts.
- Postgraduate Abstracts.
- Professional Abstracts.

## **ABSTRACT SUBMISSION GUIDELINES:**

- Abstract must be in English and submitted online only.
- Word limit: 300 words excluding title and author details.
- One presenting author per abstract.
- Maximum two submissions per presenter.
- Must be original work; personal cases must be clearly labeled.
- Abstracts without full registration by March 15, 2026 will be withdrawn.

## **EVALUATION PROCESS:**

All abstracts will undergo peer review based on clarity, methodology, relevance, and scientific contribution. Platform, poster, and innovation presentations hold equal academic value. Decisions of the Scientific Committee are final.

# STUDY ABROAD CAREER GUIDANCE

## **YOUR INTERNATIONAL JOURNEY BEGINS HERE:**

The Indian International Physiotherapy Congress provides a structured Study Abroad Guidance Programme to help students and professionals explore advanced education, international training, and global career opportunities in physiotherapy. This initiative equips candidates with clear information, trusted direction, and strong support throughout the process.

## **TOP DESTINATIONS:**

- Singapore – Advanced rehab sciences & internships.
- Canada – Quality education & migration pathways.
- Europe – Research-based specialized programmes.
- United Kingdom – Fast-track courses & HCPC pathways.
- Australia – Strong clinical integration & job prospects.
- United States – Cutting-edge healthcare training.

## **WHAT THE GUIDANCE PROGRAMME OFFERS?**

- Personal counselling and academic planning.
- Course and university mapping.
- Documentation, SOP, CV, and application assistance.
- Visa guidance and interview preparation.
- Licensing and credential information.
- Pre-departure travel and accommodation support.

## **WHY THIS GUIDANCE IS VALUABLE?**

Reliable information, personalized counselling, ethical guidance, and a structured approach for physiotherapy students and professionals who want to expand their global career possibilities.

## **BOOK YOUR FREE SESSION:**

# PHYSIO CREATORS HUB

## Influencer Experience Zone

### **THE PHYSIO TALKSHOW LIVE:**

A premium panel discussion featuring leading physiotherapy digital influencers. Speakers share their journey, creative process, challenges, and strategies for building trusted online communities. Delegates gain insights into digital branding, content impact, and the role of physiotherapists in shaping public awareness.

### **PHYSIO X TALK:**

A signature expert keynote session delivered by a distinguished physiotherapy figure. This TED-style presentation highlights personal milestones, professional evolution, and motivational insights that empower participants to cultivate leadership, communication skills, and digital influence.

### **INFLUENCER MEET POINT:**

An engaging meet and greet experience where attendees interact directly with top physiotherapy creators. Participants can take photographs, collect autographs, and enjoy relaxed conversations—creating meaningful connections with fellow fans and industry influencers.

### **WHY ATTEND?**

- Learn directly from established digital creators.
- Understand how physiotherapy content influences public awareness.
- Gain practical ideas for building your online identity.
- Network with influential professionals.
- Enhance confidence in communication and creative expression.
